## A straightforward and comprehensive arena covering solution

- ✓ Very cost effective
- ✓ Rapid design and construction process
- ✓ Clear span structure design eliminates internal obstacles or braces for total flexibility and future proofing
- ✓ Excellent height clearance allows easy access for maintenance of arena surfaces
- ✓ We take care of the full process – design, consent, construction and completion

## A smart, proven, high-performance building system

- ✓ Engineer certified to AS/NZS:1170.2:2011
- ✓ High wind and snow ratings
- ✓ 12 year warranty
- ✓ Proven in the agricultural sector in NZ for over 20 years
- ✓ You can rely on the backup and support of a family owned business which began in 1915
- ✓ Widths and lengths to suit every configuration from 6m to 45m wide, any length

WE'D LIKE TO MEET UP WITH YOU TO DISCUSS HOW  
SMARTSHELTERS WILL BRING EFFICIENCY AND CONVENIENCE  
TO YOUR OPERATION.
